MPC MEDIA TEAM
GETTING STARTED: BROADCAST

1 **OBS + LOGIC PRO X**

Quick Start

1. Open OBS & LPX
2. Plug in headphone & listen for audio
3. In OBS, look at "Live!" for live audio meter
4. In OBS, look at "PP7 (Dante)" for media audio meter
5. In LPX, mix broadcast audio during practice
6. When mix is set & the media team begins to play the announcement video, then either turn down "Live!" channel in OBS or "Master" channel in LPX
7. When service is about to begin and the media team clears the announcement video, then turn up "Live!" channel in OBS or "Master" channel in LPX
